Why do you enjoy dentistry and Dr. Jodi Funk's office?

I feel very fortunate to be given the opportunity to work with Dr. Funk. Working hand in hand with friends that share the same individual and team goals makes coming to work a joy. Dr. Funk continually challenges and inspires us to become the best person we can be, and for that I am so thankful. Each day is a new adventure and I welcome the challenge. We determine our destiny, so live it wisely!

What are your special interests?

When not at our office, I enjoy spinning and yoga classes, walking my dogs, traveling, helping my husband with beer and wine making, and spending time with family and friends.
